

19TH ANNUAL

SUPER SAMPLING

Sponsorship Proposal

19TH ANNUAL SUPER SAMPLING

For 19 years, our Super Sampling has been more than an event. It has been a gathering of people who believe that coming together can create something truly meaningful.

This year, the Sarala Bathena Foundation and Buy Rite Liquors proudly presents the 19th Annual Super Sampling, an unforgettable evening bringing together exceptional food, premium wines and spirits, entertainments, and experiences- all in support of a mission that remains incredibly close to our hearts.

What began nearly two decades ago has grown into one of our most cherished traditions. Year after year, our friends, families, partners, sponsors, and community have shown up to support.

At the heart of our Super Sampling is Sarala's legacy- a legacy of generosity, compassion, and caring for those who need it most. Her spirit continues to inspire everything we do and reminds us that even the smallest act of kindness can have an extraordinary impact.

Proceeds from this year's event will help further the mission of the Sarala Bathena Foundation, including our continued support of the Sarala Bathena Patient Assistance Fund at Hackensack Meridian JFK University Medical Center, helping patients and families facing cancer. Our work also reaches communities in India, where we are committed to creating opportunities and supporting education for children who deserve the chance to build a brighter future.

This is why we gather.

On this special 19th year, we invite you to celebrate how far we have come, honor the legacy that started it all, and help us continue creating an impact that reaches far beyond one evening.

Come raise a glass and help us give hope.

We can't wait to celebrate with you.
